

## Large Class Questions for Midterm Feedback Survey

*Can be added to your general midterm survey if you choose*

What are your approaches / habits in a large class setting like this one? (Please indicate which are true for you.)

- I attend classes regularly.
- I tend to skip classes more often in a large class than a small class.
- I choose to sit in or near the front row (only applies if no assigned seating).
- I choose to sit in or near the back row (only applies if no assigned seating).
- It is difficult to see the screen/board in the front of the room.
- It is difficult to hear the instructor.
- I find a friend to sit with.
- I often feel lost.
- I often spend time on my phone or listening to music during class.
- I generally come to the professor's office hours, to establish a personal connection.
- I feel pretty disconnected from the professor.
- I take notes.
- I try to study with friends.
- I tune out, no matter how hard I try to pay attention.
- Honestly, I have a hard time staying awake.
- When I'm not sure about something, I ask the professor questions after class or in office hours.
- When I'm not sure about something, I ask the TA later.
- I find something on my own (online or elsewhere) to help me understand the material.
- Other: (please specify)

Large classes have extra challenges. Which of these strategies would you be willing to try in this class?

- Discussing concepts or problems with a classmate during lecture class.
- Asking or answering questions during lecture class.
- Working in small groups during lecture class.
- Doing some online activities as homework.
- Working with a study group.
- Contributing to a class study guide.
- Participating in new teaching techniques and giving feedback about them in an anonymous midterm survey.
- Using clickers in class.
- Other: (please specify)
